HACK876 × PICKLE & CHILL

PRIVATE PARTNERSHIP PROPOSAL

# Great teams build together. They should get to play together, too.

Hack876 teams spend one long day solving a problem side by side. A game together afterwards would be a good way to mark it.

*One day to build something that should exist.*

# Meet Hack876.

Hack876 is a one-day build competition for approximately **80 secondary-school students** from 5th Form through Upper 6th Form, working in teams of 3 to 4, roughly 20 teams in all, on Saturday, February 20, 2027 (tentative).

Teams pick a real problem, use modern tools including AI, get guidance from mentors, and finish the day with a working prototype and a pitch to judges. It is not a school assignment and there is no answer key.

Our **9-school network** in Kingston is made up of the schools where the Hack876 team currently has relationships and can coordinate most reliably. It is not an exclusive eligibility list.

BUILD SOMETHING THAT SHOULD EXIST.

# A place where teams already come to play.

**Most Hack876 students will be working with their team for the first time. Something to do together afterwards helps that last.**

Pickle & Chill is a pickleball club in Kingston that advertises classes for all ages, including kids and teens.[1]

It recommends First Timer Clinics for people who have never played.[2]

The club is at 13 East Kings House Road, in the Barbican Football Club Complex.[2]

# Open to beginners, and used to hosting a crowd.

The club advertises pickleball classes for all ages.[1]

JULY 18, 2026

### The venue for a charity tournament.

The Rotary Clubs of Kingston and St. Andrew held their charity pickleball tournament at Pickle & Chill. The clubs organised it and raised the funds.[3]

**Students who have never played would be welcome there, which is the whole point.**

# 9 schools. One room.

Hack876 begins with the schools where we already have relationships and can coordinate most reliably for the inaugural staging. Formal confirmations are still in progress, and the network is not an exclusive eligibility list.

- Hillel Academy
- Campion College
- Jamaica College
- Immaculate Conception High School
- Wolmer's
- Ardenne High School
- American International School of Kingston
- St. Andrew High School for Girls
- St. George's College

IN KIND

### A team-play experience

- Court-time vouchers for a team
- An introductory lesson for first-time players
- Used later, at a time that suits the club

# Pickle & Chill's contribution does not have to be purely financial.

## PEOPLE IN THE ROOM.

### 01
**Experience partner**

### 02
**Presenter**

Someone from Pickle & Chill hands over the vouchers on stage, if they would like to.

### 03

GROUND RULES WE WILL HOLD OURSELVES TO

**Vouchers go to students through their schools, and are used with a parent or guardian's knowledge.**

**No collection of student contact details by sponsors, and no sign-ups on the day.**

# Support the inaugural Hack876 in kind.

# In kind

**IN-KIND PARTNER · INAUGURAL HACK876**

A voucher a team can use together is a simple thing to give and a good memory to take home. Any part of this helps.

- Court-time vouchers for a team of up to four
- An introductory lesson for a team
- Or a monetary contribution at any level

PROPOSED RECOGNITION

PREFER A MONETARY CONTRIBUTION? ANY AMOUNT WITHIN A LEVEL IS WELCOME.

| Bronze Partner | Silver Partner | Gold Partner | Platinum Partner |
|---|---|---|---|
| SUGGESTED | | | |
| J$50,000 to below J$200,000 | J$200,000 to below J$500,000 | J$500,000 to below J$1,000,000 | J$1,000,000+ |

**In-kind & Community Support:** devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and contributions below J$50,000.

# Or a monetary contribution.

If a monetary contribution suits Pickle & Chill better than support in kind, these are the levels.

### Bronze Partner

**J$50,000 to below J$200,000**

OUR SUGGESTION

- Recognition on the Hack876 website
- Included in the grouped sponsor thank-you
- Named in the post-event recap

### Silver Partner

**J$200,000 to below J$500,000**

- Everything in Bronze
- Placement on event signage
- Acknowledgement in the opening and closing

### Gold Partner

**J$500,000 to below J$1,000,000**

- Everything in Silver
- More prominent placement
- A dedicated sponsor feature
- Logo on event shirts, if shirts are produced*

### Platinum Partner

**J$1,000,000+**

- The most prominent sponsor placement
- An agreed opportunity to take part in the programme
- Logo on event shirts, if shirts are produced*

These are proposed benefits, to be agreed when a sponsorship is confirmed. A sponsor can contribute any amount within a band.

*Shirt placement applies only if event shirts are produced and artwork arrives before the production deadline.

Speaking, mentoring, presenting an award and judging are subject to suitability and programme capacity. Sponsorship does not buy influence over judging, and no level carries naming rights.

09 WHERE A CONTRIBUTION GOES

# No contribution has to cover a whole cost.

WHAT A CONTRIBUTION COULD SUPPORT

- **Programming.** Helps support mentoring, judging and the student programme.
- **Special awards.** Helps support an existing special award.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

**An experience could add to an existing award if we agree it together. It would not replace a published prize or create a new award. Hack876 takes place at its own venue, and would not arrange transport or an off-site trip.**

### In-kind & Community Support

For devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and for contributions below J$50,000.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

10 A DIRECT LINE

# There is no faceless sponsorship process here.

This proposal is for **the Pickle & Chill team**.[1]

If Pickle & Chill is interested, we can decide together what involvement should actually look like.

QUESTIONS WE WOULD ANSWER TOGETHER

- ✓ How many vouchers would be useful?
- ✓ Which award would the experience be added to?
- ✓ When and where is Hack876?
- ✓ How would Pickle & Chill be recognised?

**A conversation, not a workload.**

# Deliberately focused.

Our vision is national. This inaugural staging does not have national-event resources, and we will not pretend it does.

Approximately 80 students. A school network of 9 in Kingston. One day, done properly.

**Build the first one well.**
**Learn from it.**
**Earn the right to make the second one bigger.**

## 2027

**Help make the first Hack876 happen.**

No multi-year commitment required.

FUTURE POSSIBILITIES, ONLY IF BOTH SIDES FIND IT VALUABLE. NOT COMMITMENTS.

- A team-play experience at every Hack876.
- A social game for mentors and volunteers.
- A student clinic day arranged with schools.

HACK876 × PICKLE & CHILL

Somewhere in that room may be a future founder, engineer, designer or leader.

They do not need us to decide who they become.

**They need an opportunity to begin.**

# HELP US BUILD THAT OPPORTUNITY.

We would love to explore the right first step with the Pickle & Chill team.
