PRIVATE PARTNERSHIP PROPOSAL

Before the prototype, there is a first sketch.

Every Hack876 team starts the same way: a blank page, a marker and an argument about what to build. SOS already makes and sells the things that first hour runs on.

STUDENTS	SCHOOL NETWORK	DAY

One day to build something that should exist.

01 WHAT IS HACK876?

Meet Hack876.

Hack876 is a one-day build competition for approximately **80 secondary-school students** from 5th Form through Upper 6th Form, working in teams of 3 to 4, roughly 20 teams in all, on Saturday, February 20, 2027 (tentative).

Teams pick a real problem, use modern tools including AI, get guidance from mentors, and finish the day with a working prototype and a pitch to judges. It is not a school assignment and there is no answer key.

Our **9-school network** in Kingston is made up of the schools where the Hack876 team currently has relationships and can coordinate most reliably. It is not an exclusive eligibility list.

BUILD SOMETHING THAT SHOULD EXIST.

The tools of the first hour.

Hack876 asks students to realise their potential in one day. It starts on paper.

SOS, ABOUT US

“At SOS, we work to help businesses realize their full potential.”[1]

SOS has supplied, furnished and installed workplaces across Jamaica and the wider Caribbean since 1965.[1]

In May 2018 it acquired the manufacturing assets of Book Empire Limited, and added its own locally made SEEK notebooks, quire books and writing pads to its range.[1]

The SEEK range on its site includes exercise books, composition books, notebooks and binder refills.[2]

A Jamaican company that makes what students write in.

SINCE 1965

Sixty years of supplying workplaces.

MAY 2018

Manufacturing comes in-house.

SOS acquired the manufacturing assets of Book Empire Limited and began making SEEK stationery locally.[1]

TWO SHOWROOMS

- St. George's College

05 TWO WAYS IN

There are two natural homes for this inside SOS.

IN KIND

- Notebooks and pens for students
- Planning materials for each team
- Supplies for the final pitches
- Sized to the event, nothing left over

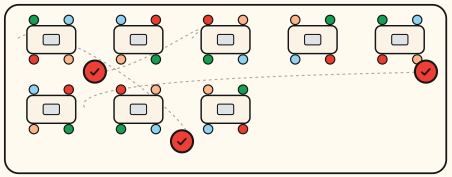

ALTERNATIVE

A discount, or a contribution

SOS's contribution does not have to be purely financial.

In kind

STUDENT MATERIALS PARTNER · INAUGURAL HACK876

Ideas, teamwork and a pitch all need something to write on. Materials in kind would go straight into students' hands, and any part of the list helps.

- A notebook and pen for each student, about 80 in all
- Sticky notes, markers and chart paper for each team table
- Presentation supplies for the final pitches
- Or a discount on any of these

In-kind & Community Support: devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and contributions below J$50,000.

08 CONTRIBUTION LEVELS

Or a monetary contribution.

If a monetary contribution suits SOS better than support in kind, these are the levels.

Bronze Partner

J$50,000 to below J$200,000

OUR SUGGESTION

- Recognition on the Hack876 website
- Included in the grouped sponsor thank-you
- Named in the post-event recap

Silver Partner

J$200,000 to below J$500,000

- Everything in Bronze
- Placement on event signage
- Acknowledgement in the opening and closing

Gold Partner

J$500,000 to below J$1,000,000

- Everything in Silver
- More prominent placement
- A dedicated sponsor feature
- Logo on event shirts, if shirts are produced*

Platinum Partner

J$1,000,000+

- The most prominent sponsor placement
- An agreed opportunity to take part in the programme
- Logo on event shirts, if shirts are produced*

These are proposed benefits, to be agreed when a sponsorship is confirmed. A sponsor can contribute any amount within a band.

*Shirt placement applies only if event shirts are produced and artwork arrives before the production deadline.

Speaking, mentoring, presenting an award and judging are subject to suitability and programme capacity. Sponsorship does not buy influence over judging, and no level carries naming rights.

09 WHERE A CONTRIBUTION GOES

No contribution has to cover a whole cost.

WHAT A CONTRIBUTION COULD SUPPORT

- **Materials.** Contributes toward participant materials and supplies.
- **Equipment.** Helps support the equipment teams build with.
- **Programming.** Helps support mentoring, judging and the student programme.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

The venue supplies tables and chairs, so we are not asking for furniture.

In-kind & Community Support

For devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and for contributions below J$50,000.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

10 A DIRECT LINE

There is no faceless sponsorship process here.

This proposal is for **the SOS team**.

If SOS is interested, we can decide together what involvement should actually look like.

QUESTIONS WE WOULD ANSWER TOGETHER

- How many of each item would you need, and by when?
- Would SEEK products be the right fit, or something else in the range?
- When and where is it?
- How would SOS be recognised?
- How are students protected on consent, data and marketing?

A conversation, not a workload.

Deliberately focused.

Our vision is national. This inaugural staging does not have national-event resources, and we will not pretend it does.

Approximately 80 students. A school network of 9 in Kingston. One day, done properly.

Build the first one well.
Learn from it.
Earn the right to make the second one bigger.

2027

Help make the first Hack876 happen.

No multi-year commitment required.

FUTURE POSSIBILITIES, ONLY IF BOTH SIDES FIND IT VALUABLE. NOT COMMITMENTS.

- Materials for every Hack876, sized each year to the number of teams.
- A SEEK notebook designed with a winning team.
- A planning kit that teachers could reuse in class.

HACK876 × STATIONERY & OFFICE SUPPLIES LTD.

Somewhere in that room may be a future founder, engineer, designer or leader.

They do not need us to decide who they become.

They need an opportunity to begin.

HELP US BUILD THAT OPPORTUNITY.

We would love to explore the right first step with the SOS team.
