HACK876 × ISLAND GRILL

PRIVATE PARTNERSHIP PROPOSAL

Eat good. Live good. Build something.

Island Grill has always reached beyond the restaurant walls. Hack876 is a long day of building for young Jamaicans, and a good Jamaican lunch keeps the ideas coming.

ONE DAY TO BUILD SOMETHING THAT SHOULD EXIST.

01 WHAT IS HACK876?

Meet Hack876.

Hack876 is a one-day build competition for approximately **80 secondary-school students** from 5th Form through Upper 6th Form, working in teams of 3 to 4, roughly 20 teams in all, on Saturday, February 20, 2027 (tentative).

Teams pick a real problem, use modern tools including AI, get guidance from mentors, and finish the day with a working prototype and a pitch to judges. It is not a school assignment and there is no answer key.

Our **9-school network** in Kingston is made up of the schools where the Hack876 team currently has relationships and can coordinate most reliably. It is not an exclusive eligibility list.

BUILD SOMETHING THAT SHOULD EXIST.

Real food, and a real skill set, for young Jamaicans.

Hack876 asks students to try something new and see it through, which is exactly how Island Grill was built.

ISLAND GRILL

"We create value for all stakeholders by delighting our customers, each and every time, with excellent food and service, with ease, grace and joy; making it possible for all to Eat Good and Live Good."[2]

In 2024 Thalia Lyn announced the Lyn Family/Island Grill Scholarship in Technology for a deserving student at Immaculate Conception High School, her alma mater.[3]

By 2016 Island Grill's Soupaah Pot of Love had run over 180 projects and donated more than 10,000 cups of soup, including to schools across the country.[4]

In 2017 Island Grill launched its Supaah Food menu of locally grown foods, in line with the country's mandate to encourage Jamaicans to eat local and healthier.[5]

Island Grill grew by trying new things: jerk seasoning on grilled chicken, then callaloo rice and festival with chicken instead of the usual dinner roll.[6]

A Jamaican brand that feeds more than its customers.

1991	**Founded by Thalia Lyn.** Island Grill begins its life as one of the few authentic Jamaican quick service restaurants.[2]
2016	**Soupaah Pot of Love.** Over 180 projects and more than 10,000 cups of soup donated, with staff serving schools and communities in person.[4]
2017	**Supaah Food.** A menu of locally grown foods with good nutritional value, to encourage Jamaicans to eat local and healthier.[5]
2024	**A scholarship in technology.** The Lyn Family/Island Grill Scholarship in Technology is announced at Immaculate Conception High School.[3]
2026	**Still growing.** Eighteen restaurants, with a plan to reach 30 by 2030.[1]

Island Grill already feeds communities and backs young people in technology. One lunch at Hack876 puts both in the same room.

04 THE SCHOOL NETWORK

9 schools. One room.

Thalia Lyn is an Immaculate alumna, the first inductee of its Hall of Fame in 2013, and announced a technology scholarship there in 2024. Our judge Sheneska Williams is an Immaculate alumna too. Immaculate is in the Hack876 school network; its participation is not yet confirmed.[3]

Hack876 begins with the schools where we already have relationships and can coordinate most reliably for the inaugural staging. Formal confirmations are still in progress, and the network is not an exclusive eligibility list.

GROUND RULES WE WILL HOLD OURSELVES TO

The lunch is the contribution: no promotions, coupons, sign-ups or marketing campaigns aimed at students beyond the meal itself.

No collection of student contact details or data by sponsors. Photos and names only with school and parent consent.

Dietary needs come first. Hack876 collects allergies and dietary requirements in advance and shares only the meal counts Island Grill needs.

07 OUR INVITATION

Support the inaugural Hack876 in kind.

In kind

FOOD PARTNER · INAUGURAL HACK876

Lunch is the one moment every student shares. A one-day, in-kind Island Grill lunch is simple, concrete and close to how Island Grill already serves communities.

- Lunch for students, mentors, judges and volunteers, delivered to the venue
- Grilled chicken, fried fish and vegetarian meals with rice and peas or festival
- Island Grill team members to help serve, as they do on community projects

OUR SUGGESTION

- Recognition on the Hack876 website
- Included in the grouped sponsor thank-you
- Named in the post-event recap

Silver Partner

J$200,000 to below J$500,000

- Everything in Bronze

*Shirt placement applies only if event shirts are produced and artwork arrives before the production deadline.

Speaking, mentoring, presenting an award and judging are subject to suitability and programme capacity. Sponsorship does not buy influence over judging, and no level carries naming rights.

09 WHERE A CONTRIBUTION GOES

No contribution has to cover a whole cost.

WHAT A CONTRIBUTION COULD SUPPORT

- **Student meals.** Contributes toward meals and refreshments on the day.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

In-kind & Community Support

For devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and for contributions below J$50,000.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

AN IDEA, NOT YET A HACK876 AWARD

Island Grill Business Builder Award (proposed)

A suggestion only: an award for the build that would most help a small Jamaican business, with criteria agreed together and the final call left to the judging panel.

10 A DIRECT LINE

There is no faceless sponsorship process here.

This proposal is for **Thalia Lyn, Founder and Deputy Chairman, Island Grill.**[1]

If Island Grill is interested, we can decide together what involvement should actually look like.

QUESTIONS WE WOULD ANSWER TOGETHER

- ✓ Is this a one-day lunch or a catering arrangement?
- ✓ How many plates, where and when?
- ✓ How much notice would our team get?
- ✓ How are allergies and dietary needs handled?
- ✓ Will Immaculate Conception take part?
- ✓ Could our people do more than serve lunch?

A conversation, not a workload.

Deliberately focused.

Our vision is national. This inaugural staging does not have national-event resources, and we will not pretend it does.

Approximately 80 students. A school network of 9 in Kingston. One day, done properly.

Build the first one well.
Learn from it.
Earn the right to make the second one bigger.

2027

Help make the first Hack876 happen.

No multi-year commitment required.

FUTURE POSSIBILITIES, ONLY IF BOTH SIDES FIND IT VALUABLE. NOT COMMITMENTS.

- A recurring Island Grill lunch at every Hack876.
- A Supaah Food lunch built around local produce.
- A Business track challenge built on a real Island Grill problem, if the team wants one.
- A Hack876 pathway toward the Lyn Family/Island Grill Scholarship in Technology, only if the family wishes.

HACK876 × ISLAND GRILL

Somewhere in that room may be a future founder, engineer, designer or leader.

They do not need us to decide who they become.

They need an opportunity to begin.

HELP US BUILD THAT OPPORTUNITY.

We would love to explore the right first step with Thalia and the Island Grill team.
