HACK876 × JUICI PATTIES

PRIVATE PARTNERSHIP PROPOSAL

Feed the room where young Jamaicans build.

Juici has backed young people in Jamaica since 2004. Hack876 is one day where students turn ideas into working builds, and a Juici lunch would keep them going.

Kingston, Jamaica · Feb 20, 2027 (tentative)

80	9	1
STUDENTS	SCHOOL NETWORK	DAY

One day to build something that should exist.

Meet Hack876.

Hack876 is a one-day build competition for approximately **80 secondary-school students** from 5th Form through Upper 6th Form, working in teams of 3 to 4, roughly 20 teams in all, on Saturday, February 20, 2027 (tentative).

Teams pick a real problem, use modern tools including AI, get guidance from mentors, and finish the day with a working prototype and a pitch to judges. It is not a school assignment and there is no answer key.

Our **9-school network** in Kingston is made up of the schools where the Hack876 team currently has relationships and can coordinate most reliably. It is not an exclusive eligibility list.

BUILD SOMETHING THAT SHOULD EXIST.

Community is already the Juici way.

Hack876 is a room full of young Jamaicans building for their own communities, and a Juici lunch would be part of that day.

KELLON WILLIAMS, MARKETING MANAGER, JUICI PATTIES (2026)

> **"This is what we live for, it is what we do every day. We believe in giving back to communities and giving back to Jamaica, and this is our way of doing that."**[1]

In 2025 the Juici Patties Youth Leadership Workshop & Volunteerism Programme, fully sponsored by Juici, hosted about 200 young people from high schools in parishes including Kingston and St Andrew.[2]

Since its start in 2004, the workshop and volunteer programme has focused on nurturing leadership skills and community engagement.[3]

Juici is a longstanding sponsor of youth football and netball in Central Jamaica, for teamwork, discipline and healthy competition.[4]

Juici began in a family shop in Rocky Point, Clarendon, and now has more than 60 locations across Jamaica.[2]

More than twenty years of showing up for young people.

SINCE 2004

Youth Leadership Workshop

A fully sponsored week of leadership, team building, volunteerism and conflict resolution for high-school students.[2]

2023

A computer room, renovated

The programme renovated the computer room at Osbourne Store Primary and Infant School, with children, teachers, teens, Juici staff and seniors working side by side.[3]

CENTRAL JAMAICA

Youth football and netball

A longstanding sponsorship of youth sport, built on teamwork, discipline and healthy competition.[4]

2026

Waterhouse Football Club

A one-year sponsorship of the Jamaica Premier League club, in cash and in Juici products.[1]

FROM ROCKY POINT

A Jamaican builder story

From a family shop in Clarendon to more than 60 locations in Jamaica, and a presence in the United States, the United Kingdom and across the Caribbean.[2]

Juici already invests in young people well beyond the counter. Hack876 is a new kind of room for that same commitment, built around technology.

9 schools. One room.

Hack876 begins with the schools where we already have relationships and can coordinate most reliably for the inaugural staging. Formal confirmations are still in progress, and the network is not an exclusive eligibility list.

- Hillel Academy
- Campion College
- Jamaica College
- Immaculate Conception High School
- Wolmer's
- Ardenne High School
- American International School of Kingston
- St. Andrew High School for Girls
- St. George's College

There are two natural homes for this inside Juici.

Juici Patties' published contact is info@juicipatties.com, at Lot 1, Clarendon Park, May Pen.[5]

MARKETING

A Juici lunch at Hack876

- Lunch for students, judges, mentors and volunteers
- Vegetarian and vegan patties on the table
- Recognised as the food partner on the day
- Simple to plan once the date and venue are set

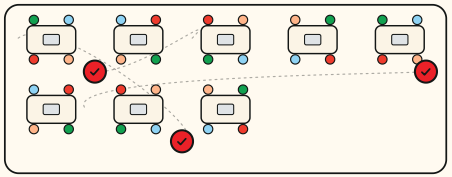

PEOPLE

The Juici team in the room

- Marketing staff as mentors for Business track pitches
- A short talk on growing a Jamaican brand from one shop
- Staff volunteers, as in the Youth Leadership Workshop

Juici's contribution does not have to be purely financial.

PEOPLE IN THE ROOM.

01
Lunch partner

Juici provides the midday meal, and the team helps it run smoothly.

02
Mentors

Marketing staff help Business track teams think about customers and brand, without building the project for them.

03
Speaker

A Juici leader on building a Jamaican brand from a single shop in Clarendon.

04
Award presenters

If a Juici award goes ahead, the Juici team presents it on stage at the close.

05
Volunteers

Staff who help with check-in, meals and keeping the day on time.

GROUND RULES WE WILL HOLD OURSELVES TO

No marketing or sampling campaigns aimed at students beyond the meal provided, and no sign-ups, coupons or promotions on the day.

No collection of student contact details or data by sponsors. Photos and names only with school and parent consent.

Dietary needs come first: we gather allergies and vegetarian needs in advance and label the food clearly.

Support the inaugural Hack876 in kind.

In kind

FOOD PARTNER · INAUGURAL HACK876

Lunch is the one moment every student shares, and it is something Juici already does better than anyone. In kind is the simplest way to make it happen.

- Beef and Chicken Patties for lunch
- Vegetable Patty and Plant Based Patty options for vegetarian and vegan students
- Coco bread
- Juici team members to help serve on the day

PROPOSED RECOGNITION

Juici Patties

Food Partner · Inaugural Hack876

Closest Hack876 tracks: Culture, Business, Life

PREFER A MONETARY CONTRIBUTION? ANY AMOUNT WITHIN A LEVEL IS WELCOME.

Bronze Partner	Silver Partner	Gold Partner	Platinum Partner
SUGGESTED			
J$50,000 to below J$200,000	J$200,000 to below J$500,000	J$500,000 to below J$1,000,000	J$1,000,000+

In-kind & Community Support: devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and contributions below J$50,000.

Or a monetary contribution.

If a monetary contribution suits Juici better than support in kind, these are the levels.

Bronze Partner

J$50,000 to below J$200,000

OUR SUGGESTION

- Recognition on the Hack876 website
- Included in the grouped sponsor thank-you
- Named in the post-event recap

Silver Partner

J$200,000 to below J$500,000

- Everything in Bronze
- Placement on event signage
- Acknowledgement in the opening and closing

Gold Partner

J$500,000 to below J$1,000,000

- Everything in Silver
- More prominent placement
- A dedicated sponsor feature
- Logo on event shirts, if shirts are produced*

Platinum Partner

J$1,000,000+

- The most prominent sponsor placement
- An agreed opportunity to take part in the programme
- Logo on event shirts, if shirts are produced*

These are proposed benefits, to be agreed when a sponsorship is confirmed. A sponsor can contribute any amount within a band.

*Shirt placement applies only if event shirts are produced and artwork arrives before the production deadline.

Speaking, mentoring, presenting an award and judging are subject to suitability and programme capacity. Sponsorship does not buy influence over judging, and no level carries naming rights.

09 WHERE A CONTRIBUTION GOES

No contribution has to cover a whole cost.

WHAT A CONTRIBUTION COULD SUPPORT

- ✓ **Student meals.** Contributes toward meals and refreshments on the day.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

In-kind & Community Support

For devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and for contributions below J$50,000.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

AN IDEA, NOT YET A HACK876 AWARD

Juici Community Award (proposed)

A suggestion only: an award for the build that would do the most for a Jamaican community, with criteria agreed together. The judging panel would make the final call.

10 A DIRECT LINE

There is no faceless sponsorship process here.

This proposal is for **Kellon Williams, Marketing Manager, Juici Patties**.[1]

If Juici is interested, we can decide together what involvement should actually look like.

QUESTIONS WE WOULD ANSWER TOGETHER

- ✓ How many people would we be feeding, and where?
- ✓ When is it, and when would you need a firm food order?
- ✓ How are allergies and dietary needs handled?
- ✓ What recognition would Juici receive?
- ✓ Can our contribution be fully in kind?
- ✓ How are students protected on consent, data and marketing?

A conversation, not a workload.

Deliberately focused.

Our vision is national. This inaugural staging does not have national-event resources, and we will not pretend it does.

Approximately 80 students. A school network of 9 in Kingston. One day, done properly.

Build the first one well.
Learn from it.
Earn the right to make the second one bigger.

2027

Help make the first Hack876 happen.

No multi-year commitment required.

FUTURE POSSIBILITIES, ONLY IF BOTH SIDES FIND IT VALUABLE. NOT COMMITMENTS.

- A recurring Juici lunch at every Hack876.
- Introductions between Hack876 students and the Youth Leadership Workshop, since both serve high-schoolers.
- A community tech day, modelled on the Osbourne Store computer room renovation.
- Juici marketing mentors on the Business track each year.
- A Juici Community Award, if it works well the first time.

HACK876 × JUICI PATTIES

Somewhere in that room may be a future founder, engineer, designer or leader.

They do not need us to decide who they become.

They need an opportunity to begin.

HELP US BUILD THAT OPPORTUNITY.

We would love to explore the right first step with Kellon and the Juici Patties team.
