HACK876 × WISYNCO GROUP LIMITED (WATA)

PRIVATE PARTNERSHIP PROPOSAL

A long day of building runs on WATA.

WATA already keeps students going at school sports days. Hack876 is a different kind of school day, and every team in the room will need water to get through it.

Kingston, Jamaica · Feb 20, 2027 (tentative)

80	9	1
STUDENTS	SCHOOL NETWORK	DAY

One day to build something that should exist.

01 WHAT IS HACK876?

Meet Hack876.

Hack876 is a one-day build competition for approximately **80 secondary-school students** from 5th Form through Upper 6th Form, working in teams of 3 to 4, roughly 20 teams in all, on Saturday, February 20, 2027 (tentative).

Teams pick a real problem, use modern tools including AI, get guidance from mentors, and finish the day with a working prototype and a pitch to judges. It is not a school assignment and there is no answer key.

Our **9-school network** in Kingston is made up of the schools where the Hack876 team currently has relationships and can coordinate most reliably. It is not an exclusive eligibility list.

BUILD SOMETHING THAT SHOULD EXIST.

Water, wellbeing and school days.

A day of building is thirsty work, and WATA already knows how to show up for students on days like this.

BRITTANY THWAITES, BRAND MANAGER, WATA PORTFOLIO

“Hydrate to Educate is rooted in the belief that every young person deserves the opportunity to pursue their education with the support they need.”[1]

In 2026, WATA set up hydration stations at school sports days for students, teachers and spectators, as the first phase of Hydrate to Educate.[2]

Wisynco says the WATA School Tour engaged thousands of students island wide on hydration, wellness and positive lifestyle habits.[3]

For 2026, Hydrate to Educate set out to invest more than J$12 million in students and schools.[1]

Now in its fourth year, the initiative is supporting 31 students and 14 schools.[4]

Years of showing up for students.

2022	WATA directed J$1 from each bottle sold toward a J$12 million education fund for 120 students and 80 teachers.[5]
2023	Hydrate to Educate launched, with grants for 42 students, three from each parish, and support for 14 schools, funded by limited-edition yellow-label bottles.[6]
2024/25	J$17 million through the WATA brand behind ISSA Schoolboy Football and the DaCosta Cup, supporting student-athletes across Jamaica.[3]
2026	Hydration stations at school sports days, then Hydrate to Educate support for 31 students and 14 schools.[4]

WATA already shows up for students on the field and in the classroom. Hack876 is one more room where that fits.

9 schools. One room.

Hack876 begins with the schools where we already have relationships and can coordinate most reliably for the inaugural staging. Formal confirmations are still in progress, and the network is not an exclusive eligibility list.

- Hillel Academy
- Campion College
- Jamaica College
- Immaculate Conception High School
- Wolmer's
- Ardenne High School
- American International School of Kingston
- St. Andrew High School for Girls
- St. George's College

05 TWO WAYS IN

There are two natural homes for this inside WATA.

Wisynco lists admin@wisynco.com and 876-665-9000 at Lakespen, St Catherine. We would address the request to Brittany Thwaites and the WATA team.[7]

BRAND

WATA as the hydration partner for the day

- Bottled WATA for everyone in the room, all day
- A WATA hydration station, like the sports day setup
- Recognition on stage and in event materials
- Small, practical and quick to say yes or no to

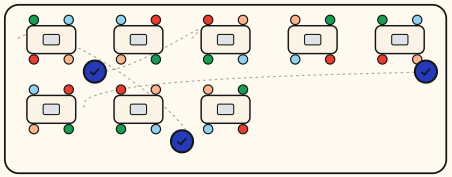

PEOPLE

The WATA team in the room

- The brand team runs the hydration station
- A short welcome or award moment on stage
- Staff who help with set-up and keeping the day moving

WATA's contribution does not have to be purely financial.

People in the room.

01
Hydration station

The WATA team keeps the station stocked, the way it does at school sports days.

02
Welcome

A short hello from WATA at the opening, kept to a minute or two.

03
Award presenter

Someone from WATA presents an award on stage at the close.

04
Brand mentor

A marketer who helps teams think about how they name, pitch and present what they built.

05
Volunteers

Staff who help with set-up, meals and keeping the day on time.

GROUND RULES WE WILL HOLD OURSELVES TO

No alcohol brands anywhere: not at the venue, on signage, in photos or in any Hack876 material. WATA water only.

No marketing campaigns aimed at students beyond the water provided and the hydration station: no sampling drives, contests, surveys or social pushes to students.

No student data: no sign-ups or contact details collected by sponsors. Photos and names only with school and parent consent.

Become a Hydration Partner of the inaugural Hack876.

In kind

HYDRATION PARTNER · INAUGURAL HACK876

Water is what WATA already brings to school days, and it is the one thing every student will reach for. It keeps the ask small and close to the work the School Tour already does.

- ✓ Cases of bottled WATA for students, mentors, judges and volunteers across the full day
- ✓ Delivery to the host school ahead of the day, once the venue and date are set
- ✓ A WATA hydration station, staffed by the brand team if that suits
- ✓ WATA presence on stage and in event materials, agreed together

PROPOSED RECOGNITION

Wisynco Group Limited (WATA)

Hydration Partner · Inaugural Hack876

Closest Hack876 tracks: Wellbeing, Learn, Resilience

PREFER A MONETARY CONTRIBUTION? ANY AMOUNT WITHIN A LEVEL IS WELCOME.

Bronze Partner	Silver Partner	Gold Partner	Platinum Partner
SUGGESTED			
J$50,000 to below J$200,000	J$200,000 to below J$500,000	J$500,000 to below J$1,000,000	J$1,000,000+

In-kind & Community Support: devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and contributions below J$50,000.

08 CONTRIBUTION LEVELS

Or a monetary contribution.

If a monetary contribution suits WATA better than support in kind, these are the levels.

Bronze Partner

J$50,000 to below J$200,000

OUR SUGGESTION

- Recognition on the Hack876 website
- Included in the grouped sponsor thank-you
- Named in the post-event recap

Silver Partner

J$200,000 to below J$500,000

- Everything in Bronze
- Placement on event signage
- Acknowledgement in the opening and closing

Gold Partner

J$500,000 to below J$1,000,000

- Everything in Silver
- More prominent placement
- A dedicated sponsor feature
- Logo on event shirts, if shirts are produced*

Platinum Partner

J$1,000,000+

- The most prominent sponsor placement
- An agreed opportunity to take part in the programme
- Logo on event shirts, if shirts are produced*

These are proposed benefits, to be agreed when a sponsorship is confirmed. A sponsor can contribute any amount within a band.

*Shirt placement applies only if event shirts are produced and artwork arrives before the production deadline.

Speaking, mentoring, presenting an award and judging are subject to suitability and programme capacity. Sponsorship does not buy influence over judging, and no level carries naming rights.

09 WHERE A CONTRIBUTION GOES

No contribution has to cover a whole cost.

WHAT A CONTRIBUTION COULD SUPPORT

- ✓ **Student meals.** Contributes toward meals and refreshments on the day.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

In-kind & Community Support

For devices, gift cards, meals, refreshments, supplies, connectivity, expertise, and for contributions below J$50,000.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

AN IDEA, NOT YET A HACK876 AWARD

WATA Wellbeing Award (proposed)

A suggestion only: recognition for the build that best helps young people look after their health and wellbeing, with criteria agreed together and the judging panel making the call.

10 A DIRECT LINE

There is no faceless sponsorship process here.

This proposal is for **Brittany Thwaites, Brand Manager, WATA Portfolio, Wisynco Group Limited**.[1]

If WATA is interested, we can decide together what involvement should actually look like.

QUESTIONS WE WOULD ANSWER TOGETHER

- ✓ How much water do you need, and when and where should it be delivered?
- ✓ What does WATA's recognition look like on the day and in materials?
- ✓ Which schools are taking part, and where is it being held?
- ✓ Will any other beverage brand be at the event?
- ✓ How are students protected on consent, data and marketing?
- ✓ Can our team run a hydration station on site?

A conversation, not a workload.

Deliberately focused.

Our vision is national. This inaugural staging does not have national-event resources, and we will not pretend it does.

Approximately 80 students. A school network of 9 in Kingston. One day, done properly.

Build the first one well.
Learn from it.
Earn the right to make the second one bigger.

2027

Help make the first Hack876 happen.

No multi-year commitment required.

FUTURE POSSIBILITIES, ONLY IF BOTH SIDES FIND IT VALUABLE. NOT COMMITMENTS.

- Hack876 as a stop on the WATA Hydrate to Educate School Tour.
- Pointing Hack876 students and teachers to Hydrate to Educate nominations when they open.
- A recycling challenge on the Resilience track, building on Wisynco's work with Recycling Partners of Jamaica.
- WATA as the hydration partner at every Hack876, growing with the event.

HACK876 × WISYNCO GROUP LIMITED (WATA)

Somewhere in that room may be a future founder, engineer, designer or leader.

They do not need us to decide who they become.

They need an opportunity to begin.

HELP US BUILD THAT OPPORTUNITY.

We would love to explore the right first step with Brittany and the WATA team.
