01 WHY THE USAIN BOLT FOUNDATION

Education, culture and technology, for children.

Hack876 is a day when a young Jamaican's boldest idea gets taken seriously, often for the very first time.

USAIN BOLT FOUNDATION, OUR MISSION

"Creation of opportunities through education and cultural development for a positive change."[1]

The Foundation's values include giving every child the opportunity to 'Dare to Dream', and its practices include embracing innovation and the use of technology.[1]

In 2021 the Foundation donated 150 laptops, valued at US$40,000, to schools in rural Jamaica.[2]

In 2020 it joined Microsoft UK to bring computer equipment to seven schools in Trelawny.[3]

BRONZE PARTNER · INAUGURAL HACK876

A contribution toward the Boldest Idea award is a small, clear commitment that matches the Foundation's 'Dare to Dream' value. The amount is the Foundation's choice.

WHAT IT HELPS SUPPORT

- ✓ **Special awards.** Helps support an existing special award.
- ✓ **Programming.** Helps support mentoring, judging and the student programme.

A sponsor can support the event overall, or agree a specific use with the Hack876 team. No contribution has to cover a whole cost.

WHAT THE USAIN BOLT FOUNDATION WOULD RECEIVE

- ✓ **Recognition on the Hack876 website**
- ✓ **Included in the grouped sponsor thank-you**
- ✓ **Named in the post-event recap**
- ✓ **A written recap after the event**

The Usain Bolt Foundation's support could be recognised alongside the existing Boldest Idea award, if it is still available. The judging panel decides the winner, and the award keeps its name.

These are proposed benefits, to be agreed when a sponsorship is confirmed. A sponsor can contribute any amount within a band.

The judging panel decides every award. Sponsorship does not buy influence over judging, and no level carries naming rights.
