Mrs. Keeva Ingram
Principal
St Andrew High School for Girls
10 Cecelio Avenue
Kingston 10

Dear Principal Ingram,

Re: Invitation for St. Andrew High School for Girls to take part in Hack 876, Saturday 20 February 2027

We write to invite students of St. Andrew High School for Girls to take part in Hack 876, a free, one-day hackathon on Saturday 20 February 2027 at the Spanish Court Hotel, Kingston, Jamaica. Students in 5th Form through Upper 6th Form (Grades 11 to 13 at St Andrew) from schools across Kingston will work in teams of 3 to 4 to build a working prototype of an idea, then present it to judges from industry.

In October 2026 two St Andrew sixth formers were on Team Jamaica at the FIRST Global Robotics Olympics in Incheon, one of them as team captain, and in May 2026 the Robotics Club received a Guardian Group Foundation grant. Netania Mundell of Diageo, a St Andrew past student, is one of our judges.

Taking part asks very little of St Andrew. There is no cost to the school or to students, nothing for the school to host, organize or transport, and no class time, because the event is on a Saturday. We ask only for a member of staff to act as our contact, and for teachers to share the opportunity with eligible students, who register themselves on MLH. The organizers handle consent forms and the event itself, and families receive safety details before the day. Whether students take part remains a decision for the school and for families.

We wrote to you by email on 16 October 2026 and would be glad to hear from you. To confirm St Andrew's participation, please email info@hack876.com, or ask a member of staff to do so. Campion College and Hillel Academy have confirmed their participation, and we would be honoured to welcome St Andrew students alongside them.

Yours sincerely,

Stefen Ewers
Co-organizer, Hack 876

Nadani Dixon
Co-organizer, Hack 876
