HACK876 × MACSPOT JAMAICA

PRIVATE PARTNERSHIP PROPOSAL

Put the tools in the hands of Jamaica's next builders.

The strongest Hack876 teams should leave with technology that helps them keep building.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY MACSPOT JAMAICA

MacSpot Jamaica sells the iPads, AirPods and accessories that are already on the Hack876 prize list.

WHAT WE ARE ASKING

Help with one prize: donating it, donating part of it, gift cards or store credit, a discount, or a contribution toward buying it.

WHAT IT MAKES POSSIBLE

Winning students take home technology they can keep building with.

WHAT MACSPOT JAMAICA RECEIVES

Recognition beside the specific prize MacSpot provides, a thank-you at the awards, and a place in the written recap.

THE NEXT STEP

A reply from Jordan on which prize, if any, makes sense for MacSpot.

Prize configuration can shift with pricing, availability and final team structure.

02 ANOTHER WAY TO HELP

It doesn't have to be free.

If four iPads is too much, that is completely fine. One device helps. A discount helps. Four gift cards help. We would rather build something sensible with MacSpot Jamaica than force the partnership into a predetermined tier.

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

- ✓ Discounted devices
- ✓ Partner or wholesale-style pricing, where available
- ✓ Partly underwriting a device
- ✓ One or two devices instead of a whole team's prizes
- ✓ Accessories bundled into another prize
- ✓ Gift cards or store credit
- ✓ A monetary contribution toward buying a prize
- ✓ Repair credits
- ✓ Another prize package MacSpot thinks makes sense

03 WHAT MACSPOT GETS

Recognition that matches the contribution.

EVERY PRIZE PARTNER

- Recognition beside the specific prize you provide
- A thank-you during the awards ceremony
- A social media thank-you or prize reveal
- Inclusion in post-event recap material
- Your logo in the Hack876 partner section once confirmed

PLUS, FOR A MAJOR DEVICE CONTRIBUTION

Such as the Hack 876 Winner iPads

- Stronger visual recognition across event-day signage
- "Prizes provided by MacSpot Jamaica" wherever that prize appears
- Jordan or a MacSpot representative invited to present the award on stage

No booths, activations or corporate programming required. The point is the prize in a student's hands.

Pick a prize. Help a young builder take it home.

HACK876

Build something that should exist.

Jordan,

We are not asking MacSpot to take on the event. We would simply love to find one piece of Hack876 that makes sense for you to own.

That could be four iPads. It could be four AirPods. It could be a few gift cards. It could simply be helping us source the devices at a better price.

If there is a version that works for MacSpot, we would love to build it with you.

Let's find the right prize. →
