HACK876 × MAYBERRY FOUNDATION

PRIVATE PARTNERSHIP PROPOSAL

A full day, fed and focused.

Mayberry has already given students a full day of meals and transport so they could simply learn. Hack876 hopes for a day like that, built around students making their first real things.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY MAYBERRY

The Mayberry Foundation funded a full day of meals and transport for Christel House Jamaica students so they could focus on learning.

WHAT WE ARE ASKING

A Bronze contribution toward student meals and the running of the day.

Bronze Partner: J$50,000 to below J$200,000. Any amount within the level is welcome.

WHAT IT MAKES POSSIBLE

Helps support meals and refreshments for about 80 students across a full day. Not prizes, because Mayberry's policy excludes contributions to individuals.

WHAT MAYBERRY RECEIVES

Bronze recognition, and a simple report afterwards: meals served, photos with consent, and highlights.

THE NEXT STEP

We will send a written request with our details, the purpose and the amount at least 30 days before the event, as Mayberry's CSR policy asks. A reply on whether to proceed would help.
