PRIVATE PARTNERSHIP PROPOSAL

Real Jamaican juice for a real day of building.

Tru-Juice is made in Bog Walk from fruit grown in Jamaica. Hack876 is a long day where students build something real, and a cold juice at lunch keeps them going.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY TRU-JUICE

Tru-Juice is made from locally grown fruit, and Trade Winds Citrus already backs youth development, including a 2026 investment in the Tru-Juice Football Club in Linstead.[2]

WHAT WE ARE ASKING

Tru-Juice for the students and adults at Hack876, served with lunch, in kind.

WHAT IT MAKES POSSIBLE

A cold Jamaican juice with lunch for everyone in the room, in the middle of a long build day.

WHAT TRU-JUICE RECEIVES

Juice Partner recognition and a written recap.

THE NEXT STEP

A yes from Trade Winds, and the name of the person on your team who will handle it. Hack876 then confirms the headcount, flavours and delivery date directly with them.

01 THE REQUEST

What a Juice Partner would provide.

Juice with lunch is something Tru-Juice already makes better than anyone, and it is something every student in the room will enjoy. Any part of it helps.

- ✓ **Tru-Juice for the students and adults at the event, served with lunch**
- ✓ **A mix of flavours, chilled and delivered to Spanish Court Hotel ahead of lunch**
- ✓ **Tru-Juice named as juice partner on stage and in event materials, agreed together**

QUANTITIES, TIMING AND DELIVERY

For about 80 students, plus mentors, judges, teachers and volunteers. We will give a final headcount in writing before anything is ordered.

Served at lunch, 12:00 PM, at Spanish Court Hotel in Kingston. The venue is confirmed.

Tru-Juice travels chilled. We will confirm cold storage at the venue before a delivery date is set.

The date, Saturday, February 20, 2027, is tentative until schools confirm it.

WHY TRU-JUICE

Tru-Juice, the flagship brand of Trade Winds Citrus Limited, is made from fruits and vegetables produced locally.[1]

In February 2026 Trade Winds put J$7 million into the Tru-Juice Football Club in Linstead, describing it as support for structured youth development.[2]

The Tru-Juice 5K, now in its 11th staging and open to schools, raised a record J$8.2 million for Linstead Public Hospital in 2025.[3]
