Dear Principal Wilson Reynolds,

Re: Invitation for Immaculate Conception High School to take part in Hack 876, Saturday 20 February 2027

We write to invite students of Immaculate Conception High School to take part in Hack 876, a free, one-day hackathon on Saturday 20 February 2027 at the Spanish Court Hotel, Kingston, Jamaica. Students in 5th Form through Upper 6th Form (Grades 11 to 13 at Immaculate) from schools across Kingston will work in teams of 3 to 4 to build a working prototype of an idea, then present it to judges from industry.

In April 2024 an Immaculate team won the Crea+Her Girls in ICT Day Hackathon with Auto Farmer, an agriculture app, and took the Digicel Foundation Impact Award as well. Sheneska Williams of HashiCorp, an Immaculate past student, is one of our judges.

Taking part asks very little of Immaculate. There is no cost to the school or to students, nothing for the school to host, organize or transport, and no class time, because the event is on a Saturday. We ask only for a member of staff to act as our contact, and for teachers to share the opportunity with eligible students, who register themselves on MLH. The organizers handle consent forms and the event itself, and families receive safety details before the day. Whether students take part remains a decision for the school and for families.

We wrote to you by email on 16 October 2026 and would be glad to hear from you. To confirm Immaculate's participation, please email info@hack876.com, or ask a member of staff to do so. Campion College and Hillel Academy have confirmed their participation, and we would be honoured to welcome Immaculate students alongside them.

Yours sincerely,
