HACK876 × GK GENERAL INSURANCE

PRIVATE PARTNERSHIP PROPOSAL

Help young Jamaicans build for a riskier world.

Hack876 has a Resilience track, where teams build for storms, outages and the things families need to prepare for. Risk is what an insurer understands best.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday 20 February 2027

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY GK GENERAL INSURANCE

GK General Insurance's own leadership story began with a GraceKennedy Foundation scholarship in 1999 and an entry-level underwriting role in 2003.[2]
