HACK876 × JUICI PATTIES

PRIVATE PARTNERSHIP PROPOSAL

Feed the room where young Jamaicans build.

Juici has backed young people in Jamaica since 2004. Hack876 is one day where students turn ideas into working builds, and a Juici lunch would keep them going.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY JUICI

Juici Patties has backed young people in Jamaica since 2004, including through its Youth Leadership Workshop.

WHAT WE ARE ASKING

Patties and coco bread for lunch, in kind, for the students and adults at Hack876.

WHAT IT MAKES POSSIBLE

Lunch for the whole room in the middle of a long build day.

WHAT JUICI RECEIVES

Food Partner recognition, Juici staff in the room if they would like to be, and a written recap.

THE NEXT STEP

A reply from the marketing team on whether an in-kind lunch is possible. We will then confirm the headcount in writing.

01 THE REQUEST

What we are asking for, and how it would be used.

Lunch is the one moment every student shares, and it is something Juici already does better than anyone. In kind is the simplest way to make it happen.

- **Beef and Chicken Patties for lunch**
- **Vegetable Patty and Plant Based Patty options for vegetarian and vegan students**
- **Coco bread**
- **Juici team members to help serve on the day**

QUANTITIES, TIMING AND DELIVERY

For about 80 students, plus mentors, judges, teachers and volunteers. We will give a final headcount in writing before anything is ordered.

Served at lunch, 12:00 PM, at Spanish Court Hotel in Kingston. The venue is confirmed.

The date, Saturday, February 20, 2027, is tentative until schools confirm it.

Vegetable and plant-based patties for vegetarian and vegan students.

WHY JUICI

In 2025 the Juici Patties Youth Leadership Workshop & Volunteerism Programme, fully sponsored by Juici, hosted about 200 young people from high schools in parishes including Kingston and St Andrew.[2]

Since its start in 2004, the workshop and volunteer programme has focused on nurturing leadership skills and community engagement.[3]

Juici is a longstanding sponsor of youth football and netball in Central Jamaica, for teamwork, discipline and healthy competition.[4]

WHAT JUICI WOULD RECEIVE

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

A monetary contribution is welcome instead. The levels are on the last page.
