HACK876 × STATIONERY & OFFICE SUPPLIES LTD.

PRIVATE PARTNERSHIP PROPOSAL

Before the prototype, there is a first sketch.

Every Hack876 team starts the same way: a blank page, a marker and an argument about what to build. SOS already makes and sells the things that first hour runs on.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY SOS

SOS makes SEEK notebooks and writing pads in Jamaica, and supplies stationery from showrooms in Kingston and Montego Bay.

WHAT WE ARE ASKING

Notebooks, pens and planning materials for the students and team tables, in kind or at a discount.

WHAT IT MAKES POSSIBLE

Every student has something to plan on from the first minute, and every team has what it needs to sketch and pitch.

WHAT SOS RECEIVES

Student Materials Partner recognition, SEEK products in students' hands for the day, and a written recap of what was used.

THE NEXT STEP

A reply on what SOS could supply. We will then confirm quantities and a delivery date.

01 THE REQUEST

What a Student Materials Partner would provide.

Ideas, teamwork and a pitch all need something to write on. Materials in kind would go straight into students' hands, and any part of the list helps.

- **A notebook and pen for each student**
- **Sticky notes, markers and chart paper for each team table**
- **Presentation supplies for the final pitches**
- **Or a discount on any of these**

QUANTITIES, TIMING AND DELIVERY

First priority: a notebook and pen for each student, about 80.

Second: sticky notes, markers and chart paper for roughly 20 team tables.

Third: presentation supplies for the final pitches.

Delivered to, or collected for, Spanish Court Hotel before the day.

WHY SOS

SOS has supplied, furnished and installed workplaces across Jamaica and the wider Caribbean since 1965.[1]

In May 2018 it acquired the manufacturing assets of Book Empire Limited, and added its own locally made SEEK notebooks, quire books and writing pads to its range.[1]

The SEEK range on its site includes exercise books, composition books, notebooks and binder refills.[2]

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

A monetary contribution is welcome instead. The levels are on the last page.

The venue supplies tables and chairs, so we are not asking for furniture.
