HACK876 × WISYNCO GROUP LIMITED (WATA)

PRIVATE PARTNERSHIP PROPOSAL

A long day of building runs on WATA.

WATA already keeps students going at school sports days. Hack876 is a different kind of school day, and every team in the room will need water to get through it.

WHAT HACK876 IS

A one-day build competition in Kingston for about 80 secondary-school students, 5th Form through Upper 6th Form, working in teams of 3 to 4. Teams pick a real problem and finish the day with a working prototype and a pitch to judges.

When: Saturday, February 20, 2027 (tentative)

Where: Spanish Court Hotel, Kingston (confirmed)

Who: About 80 students, roughly 20 teams

Organisers: Nadani Dixon and Stefen Ewers

WHY WATA

WATA already keeps students supplied with water at school sports days through its School Tour.

WHAT WE ARE ASKING

Bottled WATA for the students and adults at Hack876, for the full day, in kind.

WHAT IT MAKES POSSIBLE

Water for everyone in the room across a long build day.

WHAT WATA RECEIVES

Hydration Partner recognition, a WATA hydration station if the brand team would like one, and a written recap.

THE NEXT STEP

A reply from the WATA team on whether in-kind water is possible. We will then confirm the headcount and a delivery date.

01 THE REQUEST

What a Hydration Partner would provide.

Water is what WATA already brings to school days, and it is the one thing every student will reach for. It keeps the ask small and close to the work the School Tour already does.

- ✓ **Cases of bottled WATA for students, mentors, judges and volunteers across the full day**
- ✓ **Delivery to Spanish Court Hotel ahead of the day**
- ✓ **A WATA hydration station, staffed by the brand team if that suits**
- ✓ **WATA presence on stage and in event materials, agreed together**

QUANTITIES, TIMING AND DELIVERY

For about 80 students, plus mentors, judges, teachers and volunteers, from 8:00 AM to 7:30 PM. We will give a final headcount in writing.

Delivered to Spanish Court Hotel in Kingston. The venue is confirmed.

The date, Saturday, February 20, 2027, is tentative until schools confirm it.

A staffed hydration station is optional.

WHY WATA

In 2026, WATA set up hydration stations at school sports days for students, teachers and spectators, as the first phase of Hydrate to Educate.[2]

Wisynco says the WATA School Tour engaged thousands of students island wide on hydration, wellness and positive lifestyle habits.[3]

For 2026, Hydrate to Educate set out to invest more than J$12 million in students and schools.[1]

WHAT WATA WOULD RECEIVE

A meaningful in-kind contribution can be recognized at an equivalent level, based on a usable value agreed together. The advertised value of software credits or volunteer hours is not counted as cash automatically.

A monetary contribution is welcome instead. The levels are on the last page.
